Learn and connect with our most experienced faculty

Mr. Atul Gaurav: M.Sc. from JNU, Delhi (Experience: 15+ years)

- Modern Physics
- Mechanics & General Properties of Matter

Mr. Vivek K. Singh: MTech from IIT-Delhi (Experience: 15+ years)

- Electronics
- Electricity & Magnetism

Dr. Alok Ji Shukla: Ph.D. from IIT-Delhi (Experience: 12+ years)

- Kinetic Theory & Thermodynamics
- Mathematical Physics

Dr. Vivek Sajal: Ph.D. from IIT-Delhi (Experience: 15+ years)

- Waves-Oscillations & Optics
- Nuclear Physics

Along with our other faculty members

S. Kumar: MTech. from IIT-Delhi (Experience: 15+ years)

- Solid State Physics

S. Verma: Alumnus from IIT-Delhi (Experience: 15+ years)

- Digital Electronics

Salient Features of Online Live Class

Name of Topics	No. of Lectures	No. of Assignments	No. of Class Test	No. of Questions in QIP
Mathematical Physics	45	13	06	129
Mechanics & General Properties of Matter	50	14	05	141
Waves-Oscillations & Optics	65	17	09	82
Electricity & Magnetism	50	13	06	151
Kinetic Theory & Thermodynamics	30	08	05	131
Modern Physics	65	10	09	150
Solid State Devices & Electronics	75	12	09	123

Resources & Technologies used for live classes

- Live Classes held on **ZOOM** app
- Recorded Lectures are given on **GOOGLE CLASSROOM**
- Hard copy of study materials will be sent to student's address
- Soft copy of study materials will be given on **GOOGLE CLASSROOM**
- Assignments and their solutions of each topic will be given on **GOOGLE CLASSROOM**
- Quality Improvement Program (**QIP**) [Previous year's questions & solutions of **IIT-JAM & JEST** are arranged as topic & chapter wise] will be given on **GOOGLE CLASSROOM**
- Class Test will be held through **GOOGLE FORM**.
- **Part Test of each topic** and **Full Length Test** will be held on our Online Test Portal: www.physicsbyfiziks.org
- Interview Support Program (ISP) after qualifying in respective exams.
